

Poster Presentation Contest

Submit a short summary of any Infection Prevention poster project that you have been working on that involves either a TJC NPSG, IHI, SCIP, MDRO or any other topic ie: compliance rate improvements, decreasing infection rates or outbreak investigations and responses.

Each proposal should be no longer than 500 words and should include a brief summary of the project, team members involved, any metrics that were used and results or outcomes.

The summary that is selected as the winner will receive free registration at the Annual TSICP conference in Austin in March of 2012 as well as an opportunity to present their project to the conference attendees.

To submit a project simply e-mail your summary to Brenda Helms at brenda.helms@baylorhealth.edu no later than February 20, 2012.

A sample outline is as follows:

- a. Title-project name
- b. Team members
- c. Brief description of problem
