

Call for Abstracts

Submission Guidelines

The APIC-DFW Education Committee invites you to submit abstracts in the areas of infection prevention and control, healthcare epidemiology, and related fields for presentation at the APIC-DFW August Monthly Education Session.

How to Submit

To submit an abstract, go to the APIC-DFW web page and click on the Call for Abstracts submission link to complete the online form. Please have your Abstract available to transpose into the Microsoft Forms questionnaire. The submitting author must provide a valid e-mail address, as APIC will rely exclusively on e-mail communications related to abstract submission, disposition, and presentation.
