

APIC-DFW Strategic Plan 2020 (adapted from APIC HQ 2020 plan)

2019 Theme: Prevention to the Core

Vision: APIC DFW will be recognized as the leader in infection prevention and control by both the healthcare community and the public we serve.

Mission: APIC DFW will influence, support, and improve the quality and safety of healthcare through the practice and management of infection prevention and control and the application of epidemiology in all health care settings. This is done through education, collaboration, evidence-based practice, advocacy, and credentialing.

Patient Safety: Demonstrate and support effective infection prevention and control as a key component of patient safety.
